# Let everything that has breath praise The LORD!"
Psalm 150:6

## iNTERPRETIVE DANCE

We were created to praise God! Praise is the outward expression of our inner state of being. Dance is visible praise and can be presented through a choreographed dance--a ministry dance with a story that includes dramatic overtones.

Interpretive Dance is an expression of prayer or worship through body movement and dance styles. Such dances are accompanied by many different types of music, and the dancers will respond with an appropriate choreographed piece that flows out of the music and enhances the prayer or worship experience.
