

Summer Piano Lessons

2024

Just because the school year ends doesn't mean that piano lessons have to! In fact, piano in the summer is extra fun because students get to choose what they want to learn in their lessons!

- **Finger Olympics** – Just how fast can you go from one end of the piano to the other? Take your scales, arpeggios, and technique to a new level!
- **Hymn Playing and Chords** – Curious about how to play songs for church? Learn to read from a hymnbook or lead sheet!
- **Music-Mania** – Want to learn a Disney song or a popular classical song like *Fur Elise* or *Moonlight Sonata*? Try out a new piano book or two!
- **Beginning Basics** – Never taken piano lessons before? The summer is a great time to get a “jump start” for the fall!

Interested in more than one of these options? We can do a combo!
